

**YOUR SPACE, YOUR VISION.**

A multifunctional, exclusive use venue in Glasgow, unlike any other.

# THE ENGINE WORKS & YOUR SPECIAL DAY

The Engine Works is a truly unique venue - an exclusive Victorian warehouse in the heart of Glasgow's West End - an industrial blank canvas that is in a league of its own.

Enter a space that brings the tradition of Glasgow's proud industrial heritage and blends it with a modern, contemporary and visionary concept where the only limit to its use is your imagination. Dating back to 1837, the venue has been sympathetically restored to its former glory and beyond. It is now a refined and luxurious Wedding and Events venue with architectural features throughout.

**WHAT WE OFFER**

**SPACE: THE ENGINE ROOM**  
ROOM DECOR & TABLE SET UP INSPIRATION

A photograph of two women in white dresses holding hands in a rustic stone-walled room. The room is decorated with warm white string lights draped across the ceiling and walls. In the foreground, several black chairs are arranged, some with greenery on them. The background is a textured stone wall. The overall atmosphere is romantic and elegant.

## **BRING YOUR VISION TO LIFE**

Dream of a wedding as unique as your imagination. Blend tradition with modern romanticism, history with contemporary design and create a wonderfully romantic day that will create memories to last a lifetime.

At the Engine Works we can create a celebration unlike any other, heartbreakingly beautiful in its romantic history, brought to life by your wedding dreams. Working alongside our in-house wedding specialists, and our incredibly talented third party suppliers, you'll have everything you need to bring your vision to life.

Catering for parties from 50-300, from intimate ceremonies in the Outhouse, to the grandiose setting of the main event space at The Engine Room we have a wedding package to suit you.

Offering city centre convenience with free on street parking, we are within easy reach of Glasgow's City Centre, West End and motorway network, The Engine Works is the perfect location for those looking for an exclusive, stimulating space that has a distinct character.

# IN-HOUSE WEDDING SPECIALISTS

We pride ourselves in taking a fresh approach to weddings by not offering a 'one package fits all'. As soon as your booking is confirmed we provide you with all the information needed to take the next steps - from our exceptional third party supplier list, to our planner and wedding checklist.

We make ourselves available to all of our couples on the run up to the big day, ensuring you have everything you need to bring your vision to life.

When the big day comes, this is where The Engine Works team really excels - coordinating your guests, working to the finest of details on your schedule, ensuring you are taken from one perfect moment to the next - allowing you to relax and enjoy your special day along with friends and family.

## DRINKS RECEPTION

At The Engine Works you will find a range of options to help you create the most memorable drinks reception. Whether that be cocktails served from a vintage horse cart, or a copper bath filled to the brim with bottles of champagne. Just let us know your wish list and we will do what we can to make it happen.

We of course offer our classic drinks packages (prosecco, beer & wine), but we are equally happy to work with you on a tailor-made package that better suit your vision - from a Gin Bar to a Whiskey Station, or if the budget stretches and you wish to treat your guests to an open bar, the infrastructure is there for you to use as you wish. We also offer a delightful range of non-alcoholic options, as we aim to please all of your guests.

# YOUR WEDDING YOUR WAY

No day is more personal than your wedding day, so why not choose a venue where everything can be bespoke.

The Engine Works provides a completely personalised wedding service that is second to none. Your personal wedding coordinator will work with you to plan and host the day of your dreams. We will discuss the wide range of finishing touches we offer to enhance and tailor your day specifically to your needs.

Over the years of planning weddings, we have created a list of suppliers that are tried and trusted by us. They are suppliers who have a real passion for what they do and put our couples first.

Whether you are planning a small and intimate ceremony or a larger reception, The Engine Works offers everything you could need for a wonderful wedding day. Exclusively yours for you and your guests to relax and enjoy in privacy.

# GET READY TO FALL IN LOVE ALL OVER AGAIN

The Engine Works is a truly spectacular venue - industrial yet refined, imposing yet intimate - a unique backdrop for any occasion. Incredibly versatile, allowing your wedding party to flow seamlessly from one area to another with no need for a table turn

On the ground floor you will find three event spaces - The Engine Room, The Workshop and The Outhouse - all of which can be used independently, or opened up to flow seamlessly into one another. All three spaces are distinctive, versatile and packed with architectural features!

# OUR SPACES

## THE ENGINE ROOM

an impressive space, with 10m high vaulted ceiling - The Engine Room is not only grand enough to host the largest of ceremonies or banquets, it's flexible and dynamic enough to accommodate smaller weddings breakfasts whilst leaving space for your band, dance floor, and of course our gorgeous bar. The Engine Room plays host to the most incredible evening celebrations.

## THE WORKSHOP

when the ceremony is finished and it's time to mingle, The Workshop is that dream space for a chic and stylish drinks reception. With our 3m high Victorian sash windows, polished concrete floors, and industrial lighting, The Workshop holds it's own as a choice of ceremony room. With large barn doors that open up onto the cobbled lane and Engine Room - The Workshop can be sectioned off, or opened up to flow as one continuous space.

## THE OUTHOUSE

impress your guests with an industrial and exquisite outhouse nestled in our private gardens. Perhaps our favourite ceremony room, it's not only elegant with original oak beams and a vaulted timber roof, it's an inviting space with our trademark red brick walls and large barn doors that open up onto our Hidden Garden.

## THE HIDDEN GARDEN

Relaxed, private and exclusively yours! With landscaped gardens and a cobbled courtyard, we welcome food trucks for that immersive food experience, as well as horse carts for live music, drink service and more. Make full use of the outdoor space, savouring canapés and refreshments, everything from bubbly to personalised cocktails. The Hidden Garden uniquely has access onto the Forth & Clyde Canal which is ideal for those iconic photography moments - there's quite simply nowhere like it.
